FROM FATHER MICHAEL

PRESENTATION BY SUBDEACON JOEL PLEBAN ON HIS RECENT OCMC MISSION TRIP TO KENYA, AFRICA

Join us on Sunday, January 14th, at 11:00am in our church hall for a presentation by Subdeacon Joel Pleban on his recent trip with a team from the Orthodox Christian Mission Center to Kenya, Africa. You are also invited to join us for the Divine Liturgy at 9:00am and/or our hot monthly breakfast at 10:30am (\$5 Adults/\$3 Children under 12/Free for under 5) before Joel's presentation if you would like! Otherwise, we hope you will come to see what Orthodoxy is all about in Kenya and what OCMC is doing to support it through missionaries like Subdeacon Joel!

BLESSING OF HOMES

I will begin the blessing of homes on Monday, January 8th. By His Baptism in the river Jordan, Christ sanctified the waters. That sanctification is brought to your homes at this time of year in order to bless and sanctify your homes, you and your loved ones. I pray that you will keep this tradition alive by having your homes blessed. ***Please fill out the form included in this bulletin if you wish to have your home blessed*** or call me to set up a time and day. May God bless all of you during this New Year with health and salvation!!

PREPARING YOUR HOME FOR THE BLESSING

- 1) Your home does NOT have to be spotless, but should be free of clutter on the floor, like toys, which may cause Father to trip or fall.
- 2) A table should be prepared with an icon, a candle, a small bowl, holy water and a list of first names of everyone you want Father to pray for during the service for their health and/or in memory of. If you do not have Holy Water, let Father know. He will bring it for you to keep.
- 3) If you have any small items, like crosses or icons, that you want blessed, place them on the table and let Father know.
- 4) Turn off all radios and TV's. Take the phone off the hook during the short blessing service. Cell phones should be turned off. Just remember to place the phone back on the hook and turn on your cell phone at the end of the blessing.
- 5) Close all doors to rooms you do not want Father to enter...open all doors in the home, otherwise.
- 6) A family member should lead Father around the home during the blessing. Children may do this, girls or boys.
- 7) If you have a pet, they may also receive a blessing, but please keep them under control to prevent them from jumping on Father or getting under his feet.
- 8) I look forward to sharing this special blessing with you and your family. Many Years!!

The word Baptism comes, to no surprise, from Greek: *baptisma*, meaning immersion into water. So baptism is linked with water by definition. It is the general understanding that through the baptism the person that is baptized is receiving a blessing. In Christ's case, however, the things are different. John's baptism was a baptism of repentance for the remission of sins, but Christ had no sin. Here is what a troparion from the Orthros service of the feast says:

Christ is baptized with us, even though He is above all purity; and thus He infuses sanctification into the water, which then becomes the purifying agent of our souls.

Through the baptism of the Lord the waters received God's blessing, being transformed in waters of sanctification. The Jordan is no more a water in which the demons lurk, as we see sometimes in the icons of Theophany, but it is now water of salvation; water that liberates man from the ties of sin, giving Him birth again from water and Spirit. Man is remodeled by God, as a pot maker models his vessels, using water and fire: water from the River Jordan and fire from the Holy Spirit.

On this day the River Jordan changes its course, and starts flowing backwards, underlying exactly this concept. The river Jordan, with its two traditional streams Jor and Dan represents also our lives, lives that flow from our ancient parents, Adam and Eve. From them the life of mankind started flowing toward the Dead Sea of sin and perdition, as Jordan River does. But when the Master entered the river, the Jordan started flowing backwards, in the same way as our lives turn toward our true godly origins when Christ enters into our lives.

The events on the banks of Jordan uncover the deep meanings of the Sacrament of Baptism in Christian practice. During the sacrament we sing "as many as were baptized in Christ have put on Christ". This reveals the mystical presence of Christ at our baptism. When we enter into the baptismal font Christ is also there with us turning around the course of our lives from a life

The events on the banks of Jordan uncover the deep meanings of the Sacrament of Baptism in Christian practice. During the sacrament we sing "as many as were baptized in Christ have put on Christ". This reveals the mystical presence of Christ at our baptism. When we enter into the baptismal font Christ is also there with us turning around the course of our lives from a life

spent in sin and worldly things into a life in virtue, and heavenly glory.

In remembrance of this divine episode we also perform the blessing of the waters in the day of Epiphany. St. Basil the Great affirms that the blessing of water came to us as a “*mystical tradition*” and that the water, through the prayer and blessing of the priest, receives a “*quicken power of the Holy Spirit.*” Through this heavenly power the water we bless today receives the power to bless those who drink from it or are sprinkled with it and lasts for years without corruption.

It is a custom among our people to drink of the Holy Water for the “purification of their souls and bodies and cure of our weakness.” This custom is very ancient and came to us with the ritual itself. The taking of the Holy Water to our homes is to have it as a life-giving fount of continued blessings and protection against all evil.

It is a miracle of God still happening in our times. We just have to open our eyes and accept the power of the Holy spirit into our lives and through repentance go away from the salty and deadly sea of errors and rejoin our sweet origins in paradise, glorifying the Holy Trinity who was revealed to us today, Father, Son and Holy Spirit.

DON'T FORGET

- **If you or a family member goes into the hospital**, please have someone contact Father Michael immediately. Hospitals no longer give out patient information when priests call to ask if a parishioner is a patient.

Dues are **\$170.00 per adult** which includes diocesan dues that are submitted to our diocesan headquarters in Johnstown.
